

CONTRACTORS

Why Work with Guard Home Warranty Customers?

1 Customers Choose Their Own Contractor

You work directly for the customer, not us.

Homeowners have the freedom to hire the contractor they trust most—you!

Gain opportunities for future business.

Satisfied customers are likely to call you for future work or recommend you to others.

2 We Are a Reimbursement-Based Home Warranty Company

Get paid directly.

No waiting for payment—you get paid immediately by the homeowner.

No pricing negotiations.

We don't interfere with your rates or ask you to lower your prices.

No restrictive networks.

You don't need to sign up or join a provider network to serve our customers.

3 Fast and Simple Coverage Confirmation

A 5-min call from the site.

Homeowners contact us with the diagnosis while you're on-site.

Fast approval process.

Eligible claims are approved within minutes so work can proceed without delays.

No long wait times.

Our U.S.-based claims team works efficiently, helping you avoid unnecessary delays.

We Value Your Expertise

Your expertise matters. We rely on your expertise to ensure homeowners get the best service possible.
